

What do we do?

At Educational Credential Evaluators (ECE), the premier resource for the assessment of academic credentials of international students, we pride ourselves on sharing our knowledge. Our onsite training, webinars, and online resources can help credential evaluators at educational institutions and licensing boards do their jobs more effectively, efficiently, and confidently.

ECE Mission

To promote the betterment of individuals' lives and society by ensuring that educational qualifications are fairly and accurately recognized across borders.

Rely on ECE for:

- Onsite training
- e-Learning sessions
- Online resources

Unlocking the Promise
of International Education

Foreign credential evaluation takes a trained eye to be done successfully. ECE's training and resources help you:

- Develop an understanding of degree evaluation, from the basics to more advanced issues
- Keep up with the latest credential evaluation industry trends
- Get answers to any transcript evaluation questions you encounter

From online trainings and support, to in-person and in-depth instruction, ECE can help you become a more skilled and confident evaluator.

ECE® e-Learning is our online training program. We help you become more confident in your skills and decision-making with our instructive and captivating modules. After each session attendees receive a certificate of completion.

Example sessions include:

- The educational system of a country
- Institutional accreditation
- Documentation issues
- Fraud and authentication
- Current hot topics

ECE® à la Carte is a customizable onsite training program held at your office or ours. One to two days in length and delivered by our experienced training team, we offer you a variety of country-specific and credential evaluation modules. You choose the modules that meet the needs of your staff, and we prepare a detailed and exclusive program. Our ECE® à la Carte programs are:

- Competitively priced
- Interactive with real case studies from your office
- Delivered by experts in our field
- Effective for recruitment teams, admissions officers, and licensing staff

ECE® Essentials is a retreat-style training program for new employees in the field of international admissions and credential evaluation.

The instruction combines:

- The basics of credential evaluation
- Overviews of the top student-sending countries
- Professional development topics

The 1½ day event allows attendees to network and establish new collegial relationships in our field. Each attendee will also receive a one-year complimentary subscription to the ECE® Connection Advantage.

ECE® Connection is a FREE online resource developed and staffed by the evaluation experts at ECE. In addition to a robust message board that enables visitors to post and answer questions, this easily searchable site includes:

- News
- Books and articles
- Presentations and reference guides
- Web resources

ECE® Connection Advantage is a paid subscription service that allows access to an expanding set of premium resources, including:

- Sample educational documents
- ECE® publication series
- Recorded e-Learning sessions
- Specialty training videos produced exclusively for Advantage subscribers
