

## What do we do?

Educational Credential Evaluators (ECE) reviews academic achievements by individuals from other countries and develops an evaluation report that shows how they convert to the U.S. system for purposes of studying or working in the United States.

### ECE Mission

To promote the betterment of individuals' lives and society by ensuring that educational qualifications are fairly and accurately recognized across borders.

### Engage with ECE for:

- All of your international credential evaluations
- Just the difficult cases
- Training and support for your staff

For more information about how ECE can help your institution or organization, contact:

Institutions

Unlocking the Promise  
of International Education

We know you have choices when it comes to partnering with an organization for educational evaluation reports. What should you look for in a credential evaluation service?

- Quick turnaround time
- Reports based on thorough research
- Accuracy and consistency
- Decades of experience
- NACES membership
- Good customer service

These are minimum requirements – you should expect this from your credential evaluation service. ECE provides this **and more.**

## Why choose ECE?

### Outstanding customer service

We encourage calls. We offer online chat. All messages are returned within 24 hours. Our full-time customer service staff is here to help.

### Commitment to excellence, integrity and care

These core values are integral to everything we do. In fact, ECE has won a Better Business Bureau award for ethics!

### Rigorous standards

ECE prepares reports based on the documents considered official in the country in which they were issued. We require the most secure and reliable educational documentation available.

### Industry leader

Since 1980 ECE has continually developed our expertise with an evaluator staff that has over 250 years of combined experience, an unsurpassed reference library of over 35,000 publications and files, and service to more than 600,000 applicants.

### Nonprofit, public service organization

We are dedicated to serving our customers, sharing knowledge with the industry, giving back to those in need, and keeping our costs competitive.

### FREE electronic report access

ECE® Dispatch is a complimentary online delivery and notification system that provides secure access to the complete ECE® report package, including the evaluation results and supporting documents in one convenient .pdf document.

ECE® Dispatch provides:

- Secure online access
- Status updates on application receipt and report progress
- Ability to manage users and notifications

### Caring in action

ECE® Aid is a charitable initiative developed to provide fee waivers for educational credential reports for refugees and other vulnerable populations. A donation to ECE® Aid can help transform a person in fragile circumstances into an integrated and productive member of society. To learn more, become a participating institution, or donate, visit [ECE.org/ECEAid](http://ECE.org/ECEAid).
