How to use this Scholar Profile:

Since this profile is based on unofficial, scanned documents, it is meant to be an advisory snapshot of a candidate's academic record. This profile enables the reader to:

- Confirm that an applicant has the proper prerequisite coursework or degree equivalent for their chosen program.
- Verify that the applicant's previous institution is properly recognized by the appropriate authority in that country.
- Understand an applicant's academic profile so that fair and consistent decisions can be made.

ECE strongly recommends obtaining official academic records in the future. Scholar Profile applicants have the option to convert to a standard ECE® evaluation report, based on official documentation.
